

Ohio State University
Department of Economics

Econ. H200
Fall 2006

Prof. James Peck

Homework #4

Chapter 8, Problems 10 and 11.

Chapter 13, Problems 4, 5, and 10.

Note: On Chapter 13, Problem 10, the **variable cost** should be $\$5 \times Q$, not average variable cost as stated in the problem.

Due Thursday, November 2
