Important dates for Econ 444

Robert de Jong, Fall 2004

• The computer exercise for our class is on October 4.

• The computer test for our class is on October 11. Both the computer exercise and the test will be in the computer lab of 318 Arps Hall. I will need to create two groups of students, because the capacity of the computer lab is not sufficient to hold our entire group.

• The takehome exercises for our class will be handed out on
  – Wednesday September 29;
  – Monday October 11;
  – Monday October 25;
  – Monday November 8;
  – Monday November 22.

  These takehomes are all due one week after they have been handed out, at the start of class.

• The midterm for our course is on Wednesday October 27, during our regular class times.

• The due date for the mini-paper is Monday November 29.

• The final for our class is on Thursday December 9, 7:30am - 9:18am, 2004, in our regular classroom.
